

Welcome to MD Catalyst Pro

Start writing your markdown documents with premium styling, live preview, and high-performance export options.

Features:

- **Obsidian + Figma Style UI:** Expensively designed glassmorphic theme.
- **Monaco Editor:** Professional editing experience (bracket matching, spell check, line numbers).
- **Slide-over Settings Drawer:** All layout options in one sleek drawer.
- **Command Palette:** Access settings and switch styles with `Ctrl + Shift + P`.
- **Floating AI Assistant:** Generate summaries, grammar audits, or Table of Contents.

NOTE

This is a note callout block. It has a beautiful colored left border and background accent.

TIP

Try toggling between **Dark Mode** and **Light Mode** using the sun/moon icon at the top navbar.
